

LABEL

Label Jam

January 24, 2025

Primary Goals

- Test new labeling deconfliction engine in the JavaScript Maps SDK
- Look for bugs or issues with new labels using PR branch and test-apps
- Look for regressions from other SDK versions [Label PR vs 4.31 (prod) and 4.32 (dev)]

Label Jam

January 24, 2025

Primary Goals

- Test new labeling deconfliction engine in the JavaScript Maps SDK
- Look for bugs or issues with new labels using PR branch and test-apps
- Look for regressions from other SDK versions [Label PR vs 4.31 (prod) and 4.32 (dev)]

Secondary Goals

- Solicit feedback and thoughts and feelings about labeling in general
- Introduce JavaScript Maps SDK labeling people to a wider group

Secondary Goals

Hannes (Yaron, Matt)

Developers

ArcGIS Maps SDK for JavaScript

Noah Sager

Product Engineer

ArcGIS Maps SDK for JavaScript

<https://confluencewikidev.esri.com/display/AGO/JSAPI+areas+of+responsibility>

Primary Goals

- Label Jam Test Apps
